

Application: Achievement First Apollo Charter School

Achievement First External Reporting - externalreporting@achievementfirst.org
2023-2024 Annual Report

Entry 1 – School Information and Cover Page

Completed - Jul 30 2024

Instructions

Required of ALL Charter Schools

Each Annual Report begins with a completed School Information and Cover Page. The information is collected in a survey format within the Annual Report Portal. When entering information in the portal, some of the following items may not appear, depending on your authorizer and/or your responses to related items.

Entry 1 – School Information and Cover Page

(New schools that were not open for instruction for the 2023-2024 school year are not required to complete or submit an annual report this year).

Please be advised that you will need to complete this cover page (including signatures) before all of the other tasks assigned to you by your school's authorizer are visible on your task page. While completing this cover page task, please ensure that you select the correct authorizer (**as of June 30, 2024**) or you may not be assigned the correct tasks.

BASIC INFORMATION

a. LEGAL SCHOOL NAME (as chartered)

(Select name from the drop down menu)

ACHIEVEMENT FIRST APOLLO CHARTER SCHOOL 800000063975

b. Unofficial or Popular School Name

AF Apollo

c. CHARTER AUTHORIZER (As of June 30th, 2024)

Please select the correct authorizer as of June 30, 2024 or you may not be assigned the correct tasks.

SUNY BOARD OF TRUSTEES

c. School Unionized

Is your charter school unionized?

No

d. District/CSD of Location

CSD #19 - BROOKLYN

e. Date of Approved Initial Charter

Jan 15 2008

f. Date School First Opened for Instruction

Aug 19 2010

g. Approved School Mission and Key Design Elements

(Regents, NYCDOE and Buffalo BOE authorized schools only)

Achievement First Public Charter Schools prepare every student to excel in college and career, deepen their knowledge of self and community, and lead lives of purpose. In partnership with our families and communities, we work to disrupt the legacy of inequity in education.

h. School Website Address

<https://www.achievementfirst.org/school/achievement-first-apollo-elementary-school/>

i. Total Approved Charter Enrollment for 2023-2024 School Year

824

j. Total Enrollment on June 30, 2024 - excluding Pre-K program enrollment

763

k. Grades Served

Grades served during the 2023-2024 school year (exclude Pre-K program students):

Responses Selected:

Kindergarten

2

3

4

5

6

7

8

l. Charter Management Organization/Educational Management Organization

Do you have a [Charter Management Organization](#)?

Yes

I1. Charter Management Organization Name

Include contact information (name, email address, telephone number)

Achievement First

I2. Charter Management Organization Email Address

info@achievementfirst.org

I3. Charter Management Organization Phone Number

203-773-3223

FACILITIES INFORMATION

m. FACILITIES: Owned, rented, leased to educate students

Will the school maintain or operate multiple sites in 2024-2025?

Yes, 2 sites

School Site 1 (Primary)

m1. SCHOOL SITES

Please provide information on Site 1 for the upcoming school year.

	Physical Address	Phone Number	District/CSD	Grades Served at Site for 2023-2024 School Year (K-5, 6-9, etc.)	Grades to be Served at Site for 2024-2025 school year (K-5, 6-9, etc.)	Receives Rental Assistance for Which Grades (If yes, enter the appropriate grades. If no, enter No).
Site 1	350 Linwood St Brooklyn	347-471-2620	NYC CSD 19	K-4	K-4	No

m1a. Please provide the contact information for Site 1.

	Name	Title	Work Phone	Alternate Phone	Email Address
School Leader	Jessica McDonald	Principal	[REDACTED]		[REDACTED]
Operational Leader	Paige Weiss	Director of Operations	[REDACTED]		[REDACTED]
Compliance Contact	Min Kwon	Director of Compliance			[REDACTED]
Complaint Contact	Teghan Delane	Counsel			[REDACTED]
DASA Coordinator	Paige Weiss	Director of Operations	[REDACTED]		[REDACTED]
Phone Contact for After Hours Emergencies					

m1b. Is site 1 in public space or in private space?

Public Space

m1c. Is site 1 in a co-located or not in a co-located facility?

Responses Selected:

Co-Located with a District School

m1d. Please list the terms of your current co-location.

	Date school will leave current co-location	Is school working with NYCDOE to expand into current space?	If so, list year expansion will occur.	Is school working with NYCDOE to move to separate space?	If so, list the proposed space and year planned for move	School at Full Capacity at Site
Site 1		No		No		Yes

School Site 2

m2. SCHOOL SITES

Please provide information on Site 2 for the upcoming school year.

	Physical Address	Phone Number	District/CSD	Grades Served at Site for 2023-2024 School Year (K-5, 6-9, etc.)	Grades to Be Served at Site for 2024-2025 School Year (K-5, 6-9, etc.)	Receives Rental Assistance for Which Grades (If yes, enter the appropriate grades. If no, enter No).
Site 2	301 Vermont St Brooklyn	347-471-2680	NYC CSD 19	5-8	5-8	No

Site 5						

IF LOCATED IN PRIVATE SPACE IN NYC OR IN DISTRICTS OUTSIDE NYC

m5e. Upload a current Certificate of Occupancy (COO) and the annual Fire Inspection Report for school site 5 if located in private space in NYC or located outside of NYC .

Certificate of Occupancy and Fire Inspection. Provide a copy of a current and non-expired certificate of occupancy (if outside NYC or in private space in NYC). For schools that are not in district space (NYC co-locations), provide a copy of a current and non-expired certificate of occupancy, and a copy of the current annual fire inspection results, which should be dated on or after July 1, 2024.

Fire inspection certificates must be updated annually. For the upcoming school year 2024-2025, please submit a current fire inspection certificate.

If the fire inspection certificate will expire between the August 1, 2024, submission of the Annual Report and the November 1 Annual Report submission please submit the new certificate with the Annual Report entries due no later than 11:59 PM on November 1, 2024.

Site 5 Certificate of Occupancy (COO)

Site 5 Fire Inspection Report

This is required, marked optional for administrative purposes.

n. List of owned, rented, leased facilities not used to educate students and the purpose of each.

Separate by semi-colon (;)

none

o1. Total Number of School Calendar Days

182

o2. Total Number of Instructional Hours by Month (Entries are required for all months. Enter a zero for months with no instructional hours.)

CHARTER REVISIONS DURING THE 2023-2024 SCHOOL YEAR

p. Summary of Material and Non-Material Charter Revisions approved or pending in 2023-2024, including updates to the school’s board of trustees’ bylaws, enrollment policy, discipline policy, or complaint policy.

Please note, listing the revisions here does not constitute a request. Schools are advised to seek revision requests through their authorizer directly.

Does the school have any material or non-material revisions approved or pending?

No

ATTESTATIONS

q. Name/Position of Person Completing/Submitting the 2023-2024 Annual Report. (To write type in a phone number with an extension, please use this format: 123-456-7890-3. The dash and number 3 at the end of the phone number refers to the individual's phone extension. Do not type in the work extension or the abbreviation for it - just the dash and the extension number after the phone number).

Name	Min Kwon
Position	Director of Compliance
Phone/Extension	(No response)
Email	

q. Our signatures (Executive Director/School Leader/Head of School and Board President) below attest that all of the information contained herein is truthful and accurate and that this charter school is in compliance with all aspects of its charter, and with all pertinent Federal, State, and local laws, regulations, and rules. We understand that if any information in any part of this report is found to have been deliberately misrepresented, that will constitute grounds for the revocation of our charter. Click [YES](#) to agree and then use the mouse on your PC or the stylus on your mobile device to sign your name).

Responses Selected:

Yes

As outlined in ENTRY 7 (Employee Fingerprint Requirements Attestation):

Our E-Signatures (not digital signatures) (Executive Director/School Leader/Head of School and Board President) below attest that our school has reviewed, understands and will comply with the employee clearance and fingerprint requirements as outlined in Entry 7 and found in the [NYSED CSO Fingerprint Clearance Oct 2019 Memo](#). Click [YES](#) to agree.

Responses Selected:

Yes

Signature, Head of Charter School

(If you are not signing the application now, please click "Clear" on both signature fields before saving this task or else the system will return an error.)

Signature, President of the Board of Trustees

(If you are not signing the application now, please click "Clear" on both signature fields before saving this task or else the system will return an error.)

Date

Jul 29 2024

Thank you.

Entry 2 – Links to Critical Documents on School Website

Completed - Jul 31 2024

Instructions

Required of ALL Charter Schools (Note that SUNY-authorized charter schools are not required to submit item 4: Authorizer-approved Dignity for All Students Act (DASA) policy and NYSED-Approved School Discipline Policy)

By law, each charter school is required to maintain certain notices and policies listed on its website. Please insert the link from the school's website for each of the items. All links must be readily found on the school's website.

1. Current Annual Report (i.e., 2023-2024 Annual Report);^[1]
2. Board meeting notices, agendas and documents;
3. New York State School Report Card. This report captures school-level enrollment and demographic information, staff qualifications, electronic student records, and attendance rates, as prescribed by New York State law;^[2] (Even if there is no school data yet reported, provide a direct web link to the most recent [New York State School Report Card](#) for the charter school.
4. Authorizer-approved DASA Policy and NYSED-Approved School Discipline Policy **(For Regents, NYCDOE, and Buffalo BOE-Authorized Charter Schools ONLY)**;
5. District-wide safety plan, not a building level safety plan (as per the July 2023 [Emergency Response Plan Memo](#) – Charter Schools Only);
6. Authorizer-approved FOIL Policy; and
7. Subject matter list of FOIL records. (Example: See [NYSED Subject Matter List](#))

^[1] Each charter school is required to make the Annual Report publicly available by August 1 and to post on their respective charter school website. Each school should post an updated and complete version to include accountability data and financial statements that are not or may not be available until after the August deadline (i.e., Report when financials have been submitted in November.)

^[2] SRC data is included in the reporting requirements for New York charter schools in 8 NYCRR 119.3.

Entry 2 – Links to Critical Documents on School Website

Entry 3 – Board of Trustees Disclosure of Financial Interest Form

Completed - Jul 30 2024

Required of ALL Charter Schools

Each member of the charter school's Board of Trustees who served on a charter school education corporation governing one or more charter schools for any period during the 2023-2024 school year must complete and sign a Trustee [Disclosure of Financial Interest Form](#) due **no later than 11:59 PM on August 1, 2024**. Acceptable signature formats include:

- Digitally certified PDF signature (i.e., DocuSign)
- Manual signature (1. download to print, 2. manually sign, 3. scan signed document to PDF, and 4. upload into portal)

All completed forms must be collected and uploaded in .PDF format for each individual member. **The education corporation is responsible for ensuring that each member who served on the board during the 2023-2024 school year completes the form.**

Charter schools **must** submit the latest version of the form. Forms completed from past years will not be accepted.

Trustees serving on an education corporation that governs more than one school are not required to complete a separate disclosure for each school governed by the education corporation. In the Trustee Disclosure of Financial Interest Form, trustees must disclose information relevant to any of the schools served by the governing education corporation.

Entry 4 – Board of Trustees Membership Table

Completed - Jul 30 2024

Instructions

Required of ALL charter schools

ALL charter schools or education corporations governing multiple schools must complete the Board of Trustees Membership Table within the online portal. Please be sure to include and identify parents who are members of the Board of Trustees and indicate whether parents are voting or non-voting members.

Entry 4 – Board of Trustees Membership Table

1. SUNY-AUTHORIZED charter schools are required to provide information for VOTING Trustees only.
2. REGENTS, NYCDOE, and BUFFALO BOE-AUTHORIZED charter schools are required to provide information for all --VOTING and NON-VOTING-- trustees.

Authorizer:

Who is the authorizer of your charter school?

SUNY

1. 2023-2024 Board Member Information (Enter info for each BOT member)

1c. Are there more than 15 members of the Board of Trustees?

No

2. Number of board meetings conducted in 2023-2024

6

3. Number of board meetings scheduled for the 2024-2025 school year

5

4. INFORMATION ABOUT MEMBERS OF THE BOARD OF TRUSTEES

- SUNY-AUTHORIZED charter schools provide response relative to VOTING Trustees only.
- REGENTS, NYCDOE, and BUFFALO BOE-AUTHORIZED charter schools provide a response relative to all trustees.

a. Total number of Voting Members on June 30, 2024	12
b. Total number of Voting Members added during the 2023-2024 school year	2
c. Total number of Voting Members who left the board during 2023-2024 school year	4
d. Total Maximum Number of Voting Members in 2023-2024; as set by the board in bylaws, resolution, or minutes	16

Thank you.

Entry 6 – Enrollment & Retention

Completed - Jul 30 2024

[Instructions for submitting Enrollment and Retention Efforts](#)

Required of ALL Charter Schools

Describe the good faith efforts the charter school has made in 2023-2024 toward meeting targets to attract and retain the enrollment of Students with Disabilities (SWD), English Language Learner(s) (ELL), and students who are economically disadvantaged. In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2024-2025.

***SUNY-authorized charter schools**

The education corporation must include a plan for the charter to meet or exceed enrollment and retention targets established by the SUNY Trustees for students with disabilities, ELLs, and students who are eligible to participate in the FRPL program. See the [enrollment and retention target calculator](#) to find specific targets.

Entry 6 – Enrollment and Retention of Special Populations

Good Faith Efforts to Meet Recruitment Targets (Attract)

	Describe Recruitment Efforts in 2023-2024	Describe Recruitment Plans in 2024-2025
Students with Disabilities	<p>Efforts to recruit students with disabilities have focused primarily on making clear in promotional materials and presentations that AF is highly effective for students with disabilities, and that we offer services in accordance with Individualized Education Programs (IEPs). In addition, the recruitment team reaches out annually to day care centers that are identified by the NYC Department of Education as serving students with disabilities and participates in an Include NYC fair that focuses on providing resources to families with students with disabilities. The AF student recruitment team has partnered with the network special services team to ensure that marketing materials capture the range of services available. AF has reached out specifically to community members who previously agreed to partner with the community outreach team to conduct a family focus group on how AF schools could best meet their needs. During this focus group, the mother of a student with a disability said that her greatest struggle was finding a public school option that held the highest academic standards for her child despite his disability. The school strives to be this option, committed to getting every scholar who walks through our doors to and through college. We believe that sending this message to families with students who have special needs</p>	<p>We plan to use the the same 2023-2024 plans in the 2024-2025 school year.</p>

	<p>will be a powerful recruiting technique and will help us meet the enrollment target for this population. The lottery also uses a weighted preference for students with disabilities.</p>	
<p>English Language Learners</p>	<p>The AF student recruitment team is bilingual and has made extensive efforts to reach out to families who speak languages other than English. All outdoor signs are in both English and Spanish, as are all brochures and other marketing materials, including the AF website page for student enrollment. In 2021-22, for instance, direct, bilingual recruiting materials reached more than 30,000 families throughout Brooklyn. Additionally, Spanish speaking members of the recruitment team have presented in Spanish at Head Start daycares and community organizations (e.g., The Coalition for Hispanic Family Services and Bushwick United), and multiple members of the “street teams” that recruited directly in the community were Spanish speakers. While these techniques may change year to year, these are representative of recent recruitment methods. The lottery also uses a weighted preference for Multilingual Learners (MLLs), which the schools doubled for the 2016-17 school year in an effort to both admit and enroll more MLLs.</p> <p>The last two recruitment seasons included community outreach, canvassing, and event tabling to engage with potential families as well as a wide variety of tactics including, but not limited to:</p> <ul style="list-style-type: none"> - Distributed thousands of brochures 	<p>The AF student recruitment team is bilingual and makes extensive efforts to reach out to families who speak languages other than English. All outdoor signs are in both English and Spanish, as are all brochures and other marketing materials, including the AF website page for student enrollment. In 2023-24, for instance, direct, bilingual recruiting materials reached more than 30,000 families throughout Brooklyn. Additionally, Spanish speaking members of the recruitment team have presented in Spanish at Head Start daycares and community organizations (e.g., The Coalition for Hispanic Family Services and Bushwick United), and multiple members of the “street teams” that recruited directly in the community were Spanish speakers. While these techniques may change year to year, these are representative of recent recruitment methods. The lottery also uses a weighted preference for Multilingual Learners (MLLs), which the schools doubled for the 2016-17 school year in an effort to both admit and enroll more MLLs.</p>

and other materials in bilingual format (English/Spanish).

- Attended the Include NYC fair on February 11, 2023 which had hundreds of families, including families of MLLs and other at-risk students, in attendance. As with other events, a bilingual community outreach associate was present.
- Over the course of a given lottery cycle, AF drops off and mails Spanish applications to numerous local daycare centers (e.g., approximately 400 community organizations/daycare centers across many sections of Brooklyn). In December 2022 and February 2023, AF hosted several Spanish-language information sessions where the majority of families in attendance primarily spoke languages other than English.
- AF provides translators at orientation and community engagement events at AF schools.
- For our non-fluent Spanish speaking recruitment team members, we also utilized google-translate when we encountered Spanish-only speaking families. Non-Spanish speaking staff members are also paired with a colleague fluent in Spanish that they can call on to support communication with prospective families.
- The refer-a-friend program is shared with families in English and Spanish in the hope of generating word of mouth interest.
- Schools hang recruitment banners outside their facilities in English and Spanish.
- For families that were never selected off of waitlists in previous years and had indicated they were

	<p>not English-speaking families, AF reaches out in subsequent years with native language speakers (i.e., Spanish-speaking) in order to inform the families about the ability to re-apply to AF schools.</p>	
<p>Economically Disadvantaged</p>	<p>The schools partner with the Achievement First (AF) recruitment team to carry out a comprehensive recruitment strategy consisting of direct outreach, Refer A Friend campaigns, information sessions, school-based open houses, presentations at local education agencies and community based organizations, neighborhood canvassing at nearby high density housing and building locations, participating in the NYC Charter Center application, geo targeted mailings, and both online and outdoor advertising. These techniques have been successful in generating applications and in sharing the opportunity to apply with low-income families. AF implements an at-risk preference for low-income families, and as a result the vast majority of all entering families have qualified for free or reduced price lunch. As a result of extensive presentations to community organizations that serve low-income families, including Head Start and NYCHA daycare centers, the applicant pool of families that qualify for free and reduced price lunch has been large, and the preference has been effective at substantially matching the district percentages of low-income students for the incoming classes.</p>	<p>The schools partner with the Achievement First (AF) recruitment team to carry out a comprehensive recruitment strategy consisting of direct outreach, Refer A Friend campaigns, information sessions, school-based open houses, presentations at local education agencies and community based organizations, neighborhood canvassing at nearby high-density housing and building locations, participating in the NYC Charter Center application, geo-targeted mailings, and both online and outdoor advertising. These techniques have been successful in generating applications and in sharing the opportunity to apply with low-income families. In 2009, all AF schools implemented an at-risk preference for low-income families, and as a result the vast majority of all entering families have qualified for free or reduced-price lunch. As a result of extensive presentations to community organizations that serve low-income families, including Head Start and NYCHA daycare centers, the applicant pool of free and reduced-price applicants has been large, and the preference has been effective at substantially matching the district percentages of low-income students for the incoming classes.</p>

Good Faith Efforts To Meet Retention Targets

	Describe Retention Efforts in 2023-2024	Describe Retention Plans in 2024-2025
Students with Disabilities	<p>We believe that strong Tier 2 and Tier 3 interventions, complemented by strong family relationships, are the most effective approaches to prevent the attrition of students with disabilities. In addition to the attrition risk factors described above, we believe there are at least two additional factors for families of students with disabilities. First, families of students with disabilities are more likely to leave if they believe that we hold lower expectations for their children than for their regular education peers. Second, these families are at risk for leaving if they do not understand the services being provided for their children, or if they perceive that more extensive services might be available at another school. As described above, our communication with families about the high expectations we hold for every child, and the differentiated supports and services we provide to make sure each child meets these expectations, will begin with our student recruitment process. These messages will be reinforced in family chats (which are requested of all incoming families), family conferences, and all other communication with families of students with disabilities. Additionally, the network support data team and the managing director of special services will provide disaggregated academic and behavioral data for students</p>	<p>We plan to use the the same 2023-2024 plans in the 2024-2025 school year.</p>

	<p>with disabilities directly to the principals on a monthly basis, to flag any student for whom additional support is needed. Our experience has been that when students with disabilities make strong academic progress, their families' bond with the school strengthens and they are more likely to stay with us.</p>	
<p>English Language Learners</p>	<p>In an effort to reinforce the bilingual recruitment strategies of students who are identified as English learners, AF Team Special Services is focusing on accurate identification and assessment procedures that comply with federal and state guidelines. The classification of English learners and subsequent data on language proficiency is an important first step toward effective programming and qualified staffing for appropriate language services. Serving as a three-pronged retention measure, accurate identification, effective programming, and qualified staffing, provide students and families with evidence of prioritizing our understanding of and services for multilingual students and families. In addition, families of students identified as English learners are invited to family meetings twice a year with the Director of Multilingual Learner Education and the Director of Family Engagement. During these meetings, families are made aware of the programming available at AF and of their rights, which include students' access to meaningful participation in all content classrooms and extracurriculars regardless of language proficiency levels, families' access to translators and translated materials, and data</p>	<p>In an effort to reinforce the bilingual recruitment strategies of students who are identified as English learners, AF Team Special Services is focusing on accurate identification and assessment procedures that comply with federal and state guidelines. <p>Economically Disadvantaged</p>	<p>Our systems and data team conducted an analysis to identify which data is the best predictor of a family exiting. We learned that attending to family satisfaction, as indicated on our family engagement survey, is the most important data point to inform intervention. AF schools analyze their family engagement data and create a plan to respond to family feedback. Additionally, the network Director of Family Engagement analyzes all of the data and synthesizes the biggest themes heard from families to prioritize and improve network practices.</p>	<p>Our Systems and Data team conducted an analysis to identify which data is the best predictor of a family exiting. We learned that attending to family satisfaction, as indicated on our family engagement survey, is the most important data point to inform intervention. AF schools analyze their family engagement data and create a plan to respond to family feedback. Additionally, the network Senior Director of Family Engagement analyzes all of the data and synthesizes the biggest themes heard from families to prioritize and improve network practices. In efforts to also respond to family feedback proactively, Team Student Recruitment and Enrollment also sends out annual Intent to Return surveys to families in the Spring. Families are given an opportunity to express any feedback through this survey and all schools are expected to use this opportunity to engage with families and address any concerns if they were expressed.</p>

Entry 7 – Employee Fingerprint Requirements Attestation

Entry 7 – Employee Fingerprint Requirements Attestation

A. TEACH System – Employee Clearance

Required of ALL Charter Schools

Charter schools must ensure that all prospective employees^[1] receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers.** After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is not employed by the school.

^[1] Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers.** See NYSED memorandum dated October 1, 2019 at [NYSED CSO Employee Clearance and Fingerprint Memo](#) or visit the NYSED website at [Who Must Be Fingerprinted Charts](#) for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at [NYSED CSO Employee Clearance and Fingerprint Memo](#).

Attestation

Responses Selected:

I hereby attest that the school has reviewed, understands, and will comply with these requirements.

Entry 9 – School Calendar

Completed - Jul 30 2024

[Instructions for submitting School Calendar](#)

Required of ALL Charter Schools

If the charter school has a tentative calendar based on available information and guidance at the time, please submit it **no later than 11:59 PM on August 1, 2024**. Charter schools must upload a final school calendar into the portal and may do so at any time but **no later than 11:59 PM on September 16, 2024**.

School calendars must meet the [minimum instructional requirements](#) as required of other public schools "... *unless the school's charter requires more instructional time than is required under the regulations.*"

Board of Regents-authorized charter schools also are required to submit school calendars that clearly indicate the start and end date of the instructional year AND the number of instructional hours and/or instructional days for each month (also used to align to schools with extended days/years referenced in their mission statements/key design elements). See an example of a calendar showing the requested information. Schools **must** use a calendar format and ensure there is a monthly tally of instructional days.

Entry 11 – Progress Toward Goals

Incomplete

Instructions

SUNY-Authorized Charter Schools ONLY- Complete Template and Upload to Epicenter

SUNY-authorized charter schools must download an Accountability Plan Progress Report template at [Accountability Plan Progress Report](#). After completing, SUNY-authorized charter schools must upload the document into the Annual Report Portal, and into the SUNY Epicenter document management system **no later than 11:59 PM on September 16, 2024**.

Regents, NYCDOE, and Buffalo BOE-Authorized Charter Schools ONLY

The following tables reflect formatting in the online portal required for Board of Regents, NYCDOE, and Buffalo BOE authorized charter schools only. These charter schools should report all Progress Toward Charter Goals as per their currently approved charters **no later than 11:59 PM on November 1, 2024**.

PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.

Entry 11 – Progress Toward Goals

PROGRESS TOWARD CHARTER GOALS

Regents, NYCDOE, and Buffalo BOE-Authorized Charter Schools ONLY

Complete the tables provided. List each goal and measure as contained in the school's currently approved charter, and indicate whether the school has met or not met the goal. Please provide information for all goals no later than November 1, 2024.

1. ACADEMIC STUDENT PERFORMANCE GOALS

Regents, NYCDOE, and Buffalo BOE-Authorized Charter Schools ONLY

The following tables reflect formatting in the online portal required for Board of Regents, NYCDOE, and Buffalo BOE authorized charter schools only. These charter schools should report all Progress Toward Charter Goals as per their currently approved charters no later than **November 1, 2024**.

2023-2024 Progress Toward Attainment of Academic Goals

Entry 11 – Progress Toward Goals (SUNY-Authorized Charter Schools Only)

Completed - Oct 22 2024

Instructions

SUNY-Authorized Charter Schools ONLY- Complete Template and Upload to Epicenter

SUNY-authorized charter schools must download an Accountability Plan Progress Report template at [Accountability Plan Progress Report](#). After completing, SUNY-authorized charter schools must upload the document into the Annual Report Portal, and into the SUNY Epicenter document management system by September 15, 2024.

PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.

[2023-24-Accountability-Plan-Progress-Report-K-8-Template](#)

Filename: 2023-24-Accountability-Plan-Progre_WBmyVlq.pdf Size: 482.7 kB

Entry 12 – Audited Financial Statements

Completed - Nov 1 2024

Required of ALL Charter Schools

ALL SUNY-authorized charter schools must upload the financial statements and related documents in PDF format into the Annual Report Portal and into the SUNY Epicenter document management system **no later than 11:59 PM on November 1, 2024**. **SUNY-authorized charter schools** are asked to ensure that security features such as password protection are turned off.

ALL Regents, NYCDOE, and Buffalo BOE-authorized charter schools must upload final, audited financial statements to the Annual Report Portal **no later than 11:59 PM on November 1, 2024**. Upload the independent auditor's report, any advisory and/or management letter, and the internal controls report as one submission, combined into a PDF file, ensuring that security features such as password protections are removed from all school uploaded documents.

PLEASE NOTE: This task appears as visible and optional task in the online portal until August 1 2024 but will be identified as a required task thereafter and due on November 1, 2024. This is a required task, and it is marked optional for administrative purposes only.

[Achievement First Brooklyn Charter Schools - 2024 FINAL](#)

Filename: Achievement_First_Brooklyn_Charter_sN4ugjT.pdf Size: 1.5 MB

Entry 12a – Audited Financial Report Template (SUNY)

Incomplete

[Instructions - SUNY-Authorized Charter Schools ONLY](#)

The Audited Financial Statement Template is no longer required by the SUNY Charter Schools Institute for school year 2023-24 annual reporting. This section is marked optional and no response is required for this section.

Entry 13 – Fiscal Year 2024-2025 Budget

Completed - Oct 31 2024

SUNY-authorized charter schools should download the [2024-2025 Budget and Quarterly Report Template and the 2024-2025 Budget Narrative Questionnaire](#) from the SUNY website and upload the completed templates into the Annual Report Portal and into the Epicenter document management system. **Due no later than 11:59 PM on November 1, 2024.**

Regents, NYCDOE, and Buffalo BOE authorized charter schools should upload a copy of the school's FY25 Budget using the [2024-2025 Budget Template](#) into the Annual Report Portal or from the Annual Report website. **Due**

no later than 11:59 PM on November 1, 2024.

The Assumptions column should be completed for all revenue and expense items unless the item is self-explanatory. Where applicable, reference the page number or section in the application narrative that indicates the assumption being made. For instance, student enrollment would reference the applicable page number in Section I, C of the application narrative.

PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.

[24-25 Budget Narrative Questionnaire](#)

**Disclosure of Financial Interest by a Current
or Former Trustee**

Trustee Name:

Tamika Bradley

Name of Charter School Education Corporation:

Achievement First

1. List all positions held on the education corporation Board of Trustees ("Board") (e.g., chair, vice-chair, treasurer, secretary, parent representative, etc.).

2. Are you related, by blood or marriage, to any person employed by the school and/or education corporation?

Yes No

If **Yes**, please describe the nature of your relationship and the person's position, job description, and other responsibilities with the school.

3. Are you related by blood, or marriage, or legal adoption/guardianship to any student currently enrolled in a school operated by the education corporation?

Yes No

If **Yes**, please describe the nature of your relationship and if the student could benefit from your participation.

4. Are you related, by blood or marriage, to any person that could otherwise benefit from your participation as a board member of the education corporation?

Yes No

If **Yes**, please describe the nature of your relationship and if this person could benefit from your participation.

5. Are you a past, current, or prospective employee of the charter school, education corporation, and/or an entity that provides comprehensive management services (“CMO”), whether for-profit or not-for-profit, which contracts, or may contract, with the charter school or education corporation; or do you serve as an employee, officer, or director of, or own a controlling interest in, a business or entity that contracts, or does business with, or plans to contract or do business with, the charter school, education corporation, and/or a CMO, whether for-profit or not-for-profit, including, but not limited to, the lease of real or personal property to the said entities?

Yes No

If **Yes**, please provide a description of the position(s) you hold, your responsibilities, your salary and your start date.

6. Identify each interest/transaction (and provide the requested information) that you, any of your immediate family members, and/or any persons who you reside with have held or engaged in with the charter school(s) operated by the education corporation during the time you have served on the Board, and in the six months prior to such service. If there has been no such interest or transaction, check **None**.

None

Date(s)	Nature of financial interest / transaction	Steps taken to avoid a conflict of interest, (e.g., did not vote, did not participate in discussion)	Name of person holding interest or engaging in transaction and relationship to you

2023-24 ACCOUNTABILITY PLAN PROGRESS REPORT

John Sharkey and Meaghan Ross prepared this 2023-24 Accountability Progress Report on behalf of the charter school's board of trustees:

Trustee's Name	Board Position	
	Office (e.g., chair, treasurer, secretary)	Committees (e.g., finance, executive)
Romy Coquillette	Chair	Executive, Academic, Facilities
Desiree Dalton	Parent Representative	Academic
Tamika Bradley	Parent Representative	Facilities
Jonathan Atkeson	Trustee/Member	Finance
Amy Arthur Samuels	Trustee/Member	Academic, Executive
Kevin Miquelon	Trustee/Member	Facilities
Paul Cabana	Vice Chair	Executive
Josh Vidro	Trustee/Member	N/A
Akeem Frett	Secretary	Executive
Christopher J. Lynch	Treasurer	Executive, Finance, Facilities
David Pollack	Trustee/Member	Finance
Brandon Sorlie	Trustee/Member	Academic

School Leaders

Charter	Principal
Apollo	Jessica McDonald has served as the elementary school principal since 2023. Jesse Ugglu has served as the middle school principal since 2019.
Bushwick	Courtney Saretzky has served as the elementary school principal since 2017. Samantha Jones has served as the middle school principal since 2022.
Endeavor	Colleen Young has served as the elementary school principal since 2020. Jaden Joseph has served as the middle school principal since 2022.
Linden	Mariama Diallo has served as the elementary school principal since 2022. Stephanie Blieka has served as the middle school principal since 2022.
North Brooklyn Prep	Alicia Harper has served as the elementary school principal since 2021. Katherine Delacruz has served as the middle school principal since 2022.
Voyager	Chris Ford has served as the middle school principal since 2023.

SCHOOL OVERVIEW

Achievement First Public Charter Schools prepare every student to excel in college and career, deepen their knowledge of self and community, and lead lives of purpose. In partnership with our families and communities, we work to disrupt the legacy of inequity in education.

Endeavor and Bushwick opened in 2006. Apollo followed in 2010. North Brooklyn Prep and Linden both opened in 2014, and Voyager opened in 2016.

Core elements of the Achievement First model that support our ambitious goal of closing the achievement gap by preparing our students for success include:

- An Unwavering Focus on Breakthrough Student Achievement
- Use of a Consistent, High-Quality, Standards-Aligned Curriculum
- Strategic Use of Assessments to Monitor and Address Student Performance
- Principals have the Power to Lead their School to Execute their Vision
- Principals Provide Increased Supervision Over the Quality of Instruction
- Aggressive Recruitment and Development of Talent
- Disciplined, Achievement-Oriented School Culture
- Rigorous, High-Quality, Focused Training for Principals and Leaders
- Valuing Families as Partners

In the 2023-24 school year, AF implemented a large-scale adoption of externally developed high-quality instructional materials in ELA, math, and science in middle school and in ELA in Elementary School. These curricular materials were chosen after a thorough review of EdReports data, teacher and school leader input, as well as alignment to our value of Leading for Racial Equity and ensuring we would be able to leverage materials in ways that are culturally responsive and empowering. We are continuing to use our middle school history curriculum which is a standards-based program designed internally and with the collaboration of experts in the field. We are considering adoption of externally created high-quality instructional materials in elementary school math and science over the next several years. At present, we are continuing to use our current curricula while piloting Context for Learning Mathematics and PhD Science programs as potential options. This shift will continue to provide the strong foundation for instruction that is characteristic of AF and expected by teachers and leaders, while allowing us to prioritize supporting implementation and responding to student learning data gathered from instruction and assessment.

GOAL 1: ENGLISH LANGUAGE ARTS

All students at Achievement First Charter Schools will be proficient readers and writers of the English language.

BACKGROUND

In Achievement First's K-8 ELA program, the purpose of ELA instruction is to build a love of reading among students, to create knowledge and language-rich learning experiences, as well as to ensure that every scholar leaves elementary school proficient at reading and writing grade-level standards. In doing so, students will enter their middle school experience prepared for the academic learning ahead.

In the 2023-24 school year, our schools began a full-scale implementation of new curriculum:

- Foundations & Heggerty (K-2, sometimes 3)
- Geodes (K-2, sometimes 3)
- *Wit and Wisdom* across all of our K-8 campuses.

Through a rigorous adoption process, we identified these programs as the best choice for our students, over several other HQIM options, for a number of reasons:

- Aligned with the Science of Reading
- Intentional word and world knowledge building throughout and across grade levels
- Aligned to knowledge and skill demands of state exams (RICAS, NYSE, SBAC) (grades 3-4)
- Highly rated in EdReports
- Aligned with NY NextGen Standards
- W&W supports foundational reading skills across grades K through 4
- W&W (and thus Geodes) is built and organized into cohesive units that follow the principles of backwards design.
- Starting in kindergarten, students are positioned to ask questions, read rich, complex texts, write across various genres, make use of textual evidence, and construct explanations and arguments.
- Regular formative & summative assessments to monitor student learning are part of every module

To support strong data practices, we invest in both curriculum-based and external formative and summative assessments:

- Universal Screeners: mCLASS (K-4) and STAR (5-8) (3x; BOY, MOY, EOY)
- Foundations (K-3): Unit Exams
- Wit and Wisdom: New Reads, Focusing Question Tasks, End of Module Tasks
- Gr 3-8: Interim Assessments and Mock Exam (used as proxies for NYSE state exams)

Regarding professional development, a focus in 2023-2024 was ensuring that teachers taught the new curriculum with fidelity and integrity and that teachers were receiving regular feedback from school leaders to support their learning and development. Leaders were supported through professional development focused IPP skill building, module unpacking, and analyzing and responding to student work. Teachers were developed via professional developments based on module unpacking, lesson planning and facilitation, and response to scholar data.

ELEMENTARY AND MIDDLE ELA

ELA Measure 1 - Absolute

Each year, 75 percent of all tested students enrolled in at least their second year will perform at or above proficiency on the New York State English language arts examination for grades 3-8.

The tables below summarize the participation information for this year's test administration as well as the performance of all students and students enrolled for at least two years.

	All	148	87	58.8%	81	52	64.2%

ELA Measure 2 - Absolute

Each year, the school's aggregate Performance Index ("PI") on the State English language arts exam will meet that year's state Measure of Interim Progress ("MIP") set forth in the state's ESSA accountability system.

In New York State, ESSA school performance goals are met by showing that an absolute proportion of a school's students who have taken the English language arts test have scored at the partially proficient, or proficient and advanced performance levels (Levels 2 or 3 & 4). The percentage of students at each of these three levels is used to calculate a PI and determine if the school has met the MIP set each year by the state's ESSA accountability system. To achieve this measure, all tested students must have a PI value that equals or exceeds the state's 2023-24 English language arts MIP for all students of **113**. The PI is the sum of the percent of students in all tested grades combined scoring at Level 2, plus two times the percent of students scoring at Level 3, plus two-and-a-half times the percent of students scoring at Level 4. Thus, the highest possible PI is 250.²

English Language Arts 2023-24 Performance Index

	Number in Cohort	Percent of Students at Each Performance Level			
		Level 1	Level 2	Level 3	Level 4
Apollo	486	24.7%	29.7%	26.6%	19.0%

$$\begin{aligned}
 \text{PI} &= 29.7\% + 26.6\% + 19.0\% = 75.3 \\
 &+ 26.6\% + 19.0\% = 45.6 \\
 &+ (.5) * 19\% = 9.5 \\
 \text{PI} &= 130.4
 \end{aligned}$$

	Number in Cohort	Percent of Students at Each Performance Level			
		Level 1	Level 2	Level 3	Level 4

Voyager	148	15.3%	25.3%	40.7%	18.7%

$$\begin{aligned}
 \text{PI} &= 25.3\% + 40.7\% + 18.7\% = 84.7 \\
 & \quad \quad \quad 40.7\% + 18.7\% = 59.4 \\
 & \quad \quad \quad + (.5)*18.7\% = 9.4 \\
 \text{PI} &= 153.5
 \end{aligned}$$

RESULTS AND EVALUATION

All schools met this goal with the exception of Linden. The PI for most schools far exceeded the goal of 113.

2023-24 ACCOUNTABILITY PLAN PROGRESS REPORT

ELA Measure 3 - Comparative

Each year, the percent of all tested students who are enrolled in at least their second year and performing at proficiency on the state English language arts exam will be greater than that of all students in the same tested grades in the school district of comparison.

A school compares tested students enrolled in at least their second year to all tested students in the public school district of comparison. Comparisons are between the results for each grade in which the school had tested students in at least their second year at the school and the total result for all students at the corresponding grades in the school district.³

2023-24 State English Language Arts Exam
Charter School and District Performance by Grade Level

	Grade	Percent of Students at or Above Proficiency			
		Charter School Students In At Least 2 nd Year		All District Students

ELA Measure 4 - Comparative

Each year, the school will exceed its predicted level of performance on the state English language arts exam by an effect size of 0.3 or above (performing higher than expected to a meaningful degree) according to a regression analysis controlling for economically disadvantaged students among all public schools in New York State.

The Institute conducts a Comparative Performance Analysis, which compares the school's performance to that of demographically similar public schools statewide. The Institute uses a regression analysis to control for the percentage of economically disadvantaged students among all public schools in New York State. The difference between the school's actual and predicted performance, relative to other schools with similar economically disadvantaged statistics, produces an Effect Size. An Effect Size of 0.3, or performing higher than expected to a meaningful degree, is the target for this measure. Given the timing of the state's release of economically disadvantaged data and the demands of the data analysis, the 2023-24 analysis is not yet available. This report contains 2022-23 results.⁴

⁴ These data can be found in the school's Accountability Summary provided by the Institute in spring 2024.

ELA Measure 5 - Growth

Each year, under the state’s Growth Model, the school’s mean unadjusted growth percentile in English language arts for all tested students in grades 4-8 will be above the target of 50.

METHOD

Given the timing of the state’s release of Growth Model data, the 2023-24 analysis is not yet available. This report contains 2022-23 results, the most recent Growth Model data available.⁵

This measure examines the change in performance of the same group of students from one year to the next and the progress they are making in comparison to other students with the same score in the previous year. The analysis only includes students who took the state exam in 2022-23 and also have a state exam score from 2021-22 including students who were retained in the same grade. Students with the same 2021-22 score are ranked by their 2022-23 score and assigned a percentile based on their relative growth in performance (student growth percentile). Students’ growth percentiles are aggregated school-wide to yield a school’s mean growth percentile. In order for a school to perform above the target for this measure, it must have a mean growth percentile greater than 50.

2022-23 English Language Arts Mean Growth Percentile by Grade Level

ELA INTERNAL EXAM RESULTS

During 2023-24, in addition to the New York State 3rd – 8th grade exams, the school primarily used the following assessment to measure student growth and achievement in ELA: mCLASS in grades K-4 & STAR Reading in Grades 5-8.

mCLASS (K-4)

Percent Proficient for 2023-24 mCLASS

	Grades	Percent Proficient BOY	Percent Proficient EOY	Percentage Point Difference
Apollo	K	44.2%	88.5%	44.3%
	1	57.9%	84.0%	26.1%
	2	54.4%	69.2%	14.8%
	3	68.4%	84.1%	15.7%
	4	60.5%	57.3%	-3.2%
	All		56.8%	76.5%
Bushwick	K	34.4%	80.7%	46.3%
	1	44.2%	75.5%	31.3%
	2	47.4%	58.9%	11.5%

2023-24 ACCOUNTABILITY PLAN PROGRESS REPORT

	3	40.8%	60.2%	19.4%
	4	34.7%	50.0%	15.3%
	All	40.4%	64.9%	24.5%

STAR Reading (5-8)

The following tables evaluate the median student growth percentile for all students. The STAR Reading Assessment is a comprehensive and nationally administered assessment focused on a variety of literacy skills. It is given three times a year in 5-8th grades to assess growth in reading and help identify students for further interventions and support.

Our target goal of 50 refers to the average student growth percentile. STAR Reading is a nationally administered assessment, giving us comparative data. This comparative data helps us understand how students at AF grew relative to peers across the country, given the same initial data. For the purposes of this goal, we expect the average student growth percentile to be at the 50th percentile comparing beginning of year scores to end of year scores.

End of Year Growth on 2023-24 STAR Reading Assessment By All Students

SUMMARY OF THE ELA GOAL

Type	Measure	Outcome
Absolute	Each year, 75 percent of all tested students who are enrolled in at least their second year will perform at proficiency on the New York State English language arts exam for grades 3-8.	Apollo: NO Bushwick: NO Endeavor: NO Linden: NO North Brooklyn: NO Voyager: NO
Absolute	Each year, the school's aggregate PI on the state's English language arts exam will meet that year's state MIP as set forth in the state's ESSA accountability system.	Apollo: YES Bushwick: YES Endeavor: YES Linden: NO North Brooklyn: YES Voyager: YES
Comparative	Each year, the percent of all tested students who are enrolled in at least their second year and performing at proficiency on the state English language arts exam will be greater than that of students in the same tested grades in the school district of comparison.	Apollo: YES Bushwick: YES Endeavor: NO Linden: YES North Brooklyn: YES Voyager: YES
Comparative	Each year, the school will exceed its predicted level of performance on the state English language arts exam by an effect size of 0.3 or above (performing higher than expected to a meaningful degree) according to a regression analysis controlling for economically disadvantaged students among all public schools in New York State.	Apollo: YES Bushwick: YES Endeavor: YES Linden: YES North Brooklyn: YES Voyager: YES
Growth	Each year, under the state's Growth Model the school's mean unadjusted growth percentile in English language arts for all tested students in grades 4-8 will be above the target of 50.	Apollo: NO Bushwick: YES Endeavor: NO Linden: YES North Brooklyn: YES Voyager: YES

Growth	Each year, the percent of students at or above the proficiency benchmark on the internally administered mCLASS assessment will increase by 10% from the beginning of the year to the end of the year for all students in grade K through 4.	Apollo: YES Bushwick: YES Endeavor: YES Linden: YES North Brooklyn: YES Voyager: N/A
Growth	Each year, the school's median growth percentile of all 5th through 8th grade students will be greater than 50 on the internally administered STAR Reading assessment. Student growth is the difference between the beginning of year score and the end of year score.	Apollo: NO Bushwick: YES Endeavor: YES Linden: NO North Brooklyn: YES Voyager: NO

EVALUATION OF ELA GOAL

AF Brooklyn K-8 schools had mixed results on the applicable measures. No schools met the absolute goals of reaching 75% proficient, but 5/6 schools’ met that year’s state MIP as set forth in the state’s ESSA accountability system. 5 of 6 schools met the comparative goal that the percent of all tested students who are enrolled in at least their second year and performing at proficiency on the state English language arts exam will be greater than that of students in the same tested grades in the school district of comparison. All six schools met the comparative goal that the school will exceed its predicted level of performance on the state English language arts exam by an effect size of 0.3 or above. When it comes to the three growth measures and goals, 4 of 6 schools met the goal that the school’s mean unadjusted growth percentile in ELA for all tested students in grades 4-8 will be above the target of 50; 5 of 5 schools met the goal that the percent of students at or above the proficiency benchmark on the internally administered mCLASS assessment will increase by 10% from the beginning of the year to the end of the year for all students in grade K through 4; and, 3 of six schools met the growth goal that the school's median growth percentile of all 5th through 8th grade students will be greater than 50 on the internally administered STAR Reading assessment.

ADDITIONAL CONTEXT AND EVIDENCE

N/A

ELA ACTION PLAN

While we are glad to see strong growth for students during the year, our ELA program is still not yet ensuring students get where they need to be from an absolute perspective. Reading has been named a network focus area for the 24-25 school year and next several years. Our Senior Director of K-12 Reading will continue to further analyze our reading and ELA programs in partnership with our ELA Directors and determine where we need to make adjustments and are currently working on a robust proposal for this multi-year effort. In particular, the Sr. Director of K-12 reading will focus on STAR performance 3x a year as well as scaling the use of Lexia’s PowerUp program for all students in need of reading intervention across all 23 middle and high schools. This program, created and supported by one of the leading organizations in the science of reading, ensures students reading below grade level have access to the exact reading content that will fill their unique reading gaps. Our Sr. Director of Reading works closely with directors on

team Special Services to train school leaders and teachers on the program, monitor its rollout and implementation, and support its consistent usage for our striving readers. The ES Teaching and Learning team will support mCLASS data and analysis across K-4 campuses.

This year is our second year implementing a science of reading aligned curriculum - Wit and Wisdom from Great Minds - across our K-8 classrooms. We will continue to assess 5-8 scholars using the STAR assessment, and in grades K-4, we will be using the mCLASS/Dibels reading assessments 3x per year. We have also implemented FUNdations and Heggerty across our K-2 (and in most cases 3rd grade) classrooms and have implemented Geodes, a Great Minds series of decodable texts aligned to both Wit & Wisdom and the FUNdations scope and sequence. We are also investing in sending our network leaders and school teams to literacy professional development, including the Reading League conference.

In all grades, we are training teachers on how to better use the data from mCLASS, CUBED, and STAR as well as internal assessments (daily exit tickets, quizzes, unit exams, and interim assessments) to more effectively drive instruction and support students who are struggling and challenge students who are meeting the grade-level expectation. We have also bolstered our teacher training, supports and focus on reading intervention and ensuring we have a strong Tier 2 program for students who are reading below grade level. We are providing Tier 1 support via more robust on-the-ground support that involves frequent classroom observation and coaching leaders to support their teachers in executing our curriculum and responding to student data. Finally, we have a more robust professional development strategy, with the dean cohort once per month, leader pods occurring 4x a year, and a day long Day of Practice for all leaders and teachers.

GOAL 2: MATHEMATICS

Students will demonstrate competency in the understanding and application of mathematical computation and problem solving.

BACKGROUND

In the K-4 mathematics program at Achievement First, mathematics instruction is focused on fostering our student's mathematical identities such that they see themselves as powerful mathematicians. We are committed to a program that fosters authentic joy and curiosity about mathematical discovery and problem solving and, at the same time, proficiency in mathematical practices, all while keeping teaching for understanding as the centered norm.

To bring this vision to fruition, the AF math program is made up of 4 components:

- Core Math Lesson: Through the use of guided inquiry, students develop conceptual understanding of big ideas and strategies aligned to grade level standards by making connections to previously learned content and applying mathematical practices.
- CGI: Students develop a problem solving approach and conceptual understanding of varied problem types, strategies and mathematical principles by solving real-world story problems and

applying mathematical practices. In the 23-24 school year we continued to invest in strengthening our Cognitively Guided Instruction, a framework that helps teachers to understand how student's mathematical ideas develop, and provides an opportunity to build on the student's own thinking and understanding.

- Math Routines (K-2): Through strategically designed problem strings or routines, students deepen their number sense and flexibility with numbers to gain fluency with priority skills and big ideas.
- Math Cumulative Review (3-4): Individualized and whole group instruction used to solidify skills and understandings students have acquired as well as revisit strategic topics in order to facilitate the making of connections and skill fluency overtime.

To ensure that our academic program meets the needs of the students we serve, we require the strategic use of benchmark assessments, (Internally built Interim Assessments and Spiraled Quizzes) that are taken by EVERY student. The data from these assessments are used by teachers, school leaders, and network instructional teams to inform instructional decisions to further support student learning throughout the school year. Additionally, schools leveraged adaptive online programs during the 23-24 school year to reinforce conceptual understanding on foundational skills.

- ST Math: Visual practice that removes language as a barrier to entry
- IXL or Dreambox: Allows for standards aligned practice in a variety of questioning formats

In order to support our schools in achieving student achievement goals , we strategically mapped out professional learning opportunities for both school leaders and teachers focused on the following key components:

- Develop a shared understanding of mathematical teaching and learning philosophy and build utility with navigating the curriculum and supplement resources
- Build discrete and differentiated teacher and leaders skills based on the individual needs of leaders and teachers.
- Build vision and skill in analyzing summative data to unpack individual student's mastery and retention of standards taught up to the point of administration
- Sub-group data analysis (Black Scholars, Black Male Scholars, MLLs, Students with Disabilities) and planning for supporting all learners

This year, for the first time, we are using a nationally renowned, research-based curriculum as our primary curriculum in Grades 5-8. In 2023-2024, Achievement First Middle Schools began full implementation of Illustrative Mathematics in Grade 5-8. Our top priority this year is helping students develop proficiency with mathematical practice standards and conceptual understanding through the faithful implementation of this core curriculum. We selected Illustrative Mathematics as it obtained high ratings from EdReports and is aligned to our vision for math instruction, and strong alignment to NY state math standards.

In the 5-8 mathematics program at Achievement First, we are committed to a program that approaches teaching from an asset-based perspective, understanding and acknowledging that all of our students bring knowledge and unique ways of thinking and problem solving to the classroom. To bring this vision to fruition, the AF math program is made up of two primary components:

- Illustrative Math Lesson
- Cumulative Review/Intervention: During CR time, students are working on skills that are either aligned to current unit skills, aligned to spiral review from previous units, or aligned to individual student needs.

To support implementation of Illustrative Mathematics curriculum:

- teachers attended 3-days of summer training facilitated by Imagine Learning vendors of Illustrative Mathematics
- leaders had monthly cohorts focus on implementation vision, supporting teacher planning, and giving feedback on observations
- teachers attended monthly professional development sessions across the school year to unpack units and strengthen key parts of their instruction such as discussion facilitation
- utilized an Illustrative Mathematics Implementation Progression from Columbia's Center for Public Research & Leadership in observations to track the quality of implementation and inform supports across the year

Our assessment strategy included the curricular assessments as well as Interim Assessments built by Achievement Network, or ANet, to monitor learning across the year. ANet curriculum-compatible interim assessments complement the curricula's existing daily and unit-level assessments. Schools developed data-driven plans to respond to the data with their teachers with the aim of improving student learning outcomes.

In our high school mathematics program at Achievement First, we believe that a high quality mathematics education not only involves developing and mastering key skills and concepts, but additionally fostering students' mathematical identities such that they see themselves as powerful mathematicians with the ability to use the transformative power of mathematical practices to enrich our lives beyond college and career aspirations. We seek to prepare all of our students to meet the mathematical thinking/quantitative demands of their future careers and lives as well as to disrupt the underrepresentation of BIPOC and women in the STEM workforce.

In the 2023 - 2024 school year, we focused on strengthening our quality of instruction and improving student achievement in our high school math classes by implementing Illustrative Mathematics; a highly rated curriculum strongly aligned to our vision for mathematics education and NY state math standards. Illustrative Mathematics provides rigorous, grade-appropriate curricular materials that positions teachers as facilitators and students as active thinkers and doers of mathematics. Given that Illustrative Mathematics curricular offerings go up to Algebra 2, we continued to use our internally-developed curriculum in Precalculus, Calculus and AP Calculus aligned to college readiness and AP standards. However, to strengthen the quality of instruction and improve student learning outcomes in those courses, we additionally leveraged instructional strategies and routines from Illustrative Mathematics as best practices aligned to our vision.

To best support teachers and leaders with implementation of Illustrative Mathematics and facilitating instruction aligned to our vision of excellence in mathematics, we:

2023-24 ACCOUNTABILITY PLAN PROGRESS REPORT

- Provided monthly professional development to leaders and teachers, in addition to the robust summer training all attended
- Measured and tracked the quality of implementation according to Implementation Progression Indicators from Columbia’s Center for Public Research & Leadership
- Conducted quarterly instructional improvement walkthroughs, and
- Developed and executed data driven school support plans to drive instructional improvement and student learning outcomes.

To appropriately monitor student progress and instructional effectiveness across the year, we implement formative and summative assessments including Pre-Unit Assessments, End of Unit Assessments, and quarterly Interim Assessments . From these assessments, teachers and leaders develop data driven plans to respond to student needs and inform instructional practice. For the courses implementing Illustrative Mathematics, Interim Assessments were developed by the Achievement Network (ANET) to ensure focus, coherence, and rigor to standards and alignment with the curriculum.

ELEMENTARY AND MIDDLE MATHEMATICS

Math Measure 1 - Absolute

Each year, 75 percent of all tested students enrolled in at least their second year will perform at or above proficiency on the New York State Mathematics examination for grades 3-8.

The tables below summarize the participation information for this year’s test administration as well as the performance of all students and students enrolled for at least two years.

2023-24 State Mathematics Exam
Number of Students Tested and Not Tested

Math Measure 2 - Absolute

Each year, the school's aggregate Performance Index ("PI") on the state mathematics exam will meet that year's state Measure of Interim Progress ("MIP") set forth in the state's ESSA accountability system.

2023-24 ACCOUNTABILITY PLAN PROGRESS REPORT

METHOD

In New York State, ESSA school performance goals are met by showing that an absolute proportion of a school's students who have taken the mathematics test have scored at the partially proficient, or proficient and advanced performance levels (Levels 2 or 3 & 4). The percentage of students at each of these three levels is used to calculate a PI and determine if the school has met the MIP set each year by the state's ESSA accountability system. To achieve this measure, all tested students must have a PI value that equals or exceeds the state's 2023-24 mathematics MIP for all students of **115.3**. The PI is the sum of the percent of students in all tested grades combined scoring at Level 2, plus two times the percent of students scoring at Level 3, plus two-and-a-half times the percent of students scoring at Level 4. Thus, the highest possible PI is 250.

Mathematics 2023-24 Performance Index (PI)

	Number in Cohort	Percent of Students at Each Performance Level			
		Level 1	Level 2	Level 3	Level 4
Apollo	493	17.0%	19.0%	36.0%	28.0%

$$\begin{aligned}
 \text{PI} &= 19\% + 36\% + 28\% = 83 \\
 &\quad\quad\quad 36\% + 28\% = 64 \\
 &\quad\quad\quad\quad + (.5) * 28\% = 14 \\
 \text{PI} &= 161
 \end{aligned}$$

	Number in Cohort	Percent of Students at Each Performance Level			
		Level 1	Level 2	Level 3	Level 4
Bushwick	581	14.5%	18.2%	41.0%	26.3%

$$\begin{aligned}
 \text{PI} &= 18.2\% + 41.0\% + 26.3\% = 85.5 \\
 &\quad\quad\quad 41.0\% + 26.3\% = 67.3 \\
 &\quad\quad\quad\quad + (.5) * 26.3\% = 13.2 \\
 \text{PI} &= 166
 \end{aligned}$$

	Number in Cohort	Percent of Students at Each Performance Level			
		Level 1	Level 2	Level 3	Level 4
Endeavor	483	15.3%	24.2%	37.9%	22.6%

$$\begin{aligned}
 \text{PI} &= 24.2\% + 37.9\% + 22.6\% = 84.7 \\
 &\quad\quad\quad 37.9\% + 22.6\% = 60.5 \\
 &\quad\quad\quad\quad + (.5) * 22.6\% = 11.3 \\
 \text{PI} &= 156.5
 \end{aligned}$$

	Number in Cohort	Percent of Students at Each Performance Level			
		Level 1	Level 2	Level 3	Level 4
Linden	401	30.6%	33.1%	29.1%	7.2%

2023-24 ACCOUNTABILITY PLAN PROGRESS REPORT

$$\begin{aligned}
 \text{PI} &= 33.1\% + 29.1\% + 7.2\% = 69.4 \\
 &29.1\% + 7.2\% = 36.3 \\
 &+ (.5)*7.2\% = 3.6 \\
 \text{PI} &= 109.3
 \end{aligned}$$

	Number in Cohort	Percent of Students at Each Performance Level			
		Level 1	Level 2	Level 3	Level 4
North Brooklyn Prep	542	11.4%	18.0%	40.9%	29.7%

$$\begin{aligned}
 \text{PI} &= 18.0\% + 40.9\% + 29.7\% = 88.6 \\
 &40.9\% + 29.7\% = 70.6 \\
 &+ (.5)*29.7\% = 14.9 \\
 \text{PI} &= 174.1
 \end{aligned}$$

	Number in Cohort	Percent of Students at Each Performance Level			
		Level 1	Level 2	Level 3	Level 4
Voyager	149	17.1%	25.0%	42.1%	15.8%

$$\begin{aligned}
 \text{PI} &= 25.0\% + 42.1\% + 15.8\% = 82.9 \\
 &42.1\% + 15.8\% = 57.9 \\
 &+ (.5)*15.8\% = 7.9 \\
 \text{PI} &= 148.7
 \end{aligned}$$

RESULTS AND EVALUATION

All schools met this goal with the exception of Linden. The PI for most schools far exceeded the goal of 115.3.

Math Measure 3 - Comparative

Each year, the percent of all tested students who are enrolled in at least their second year and performing at proficiency on the state mathematics exam will be greater than that of all students in the same tested grades in the school district of comparison.

METHOD

A school compares tested students enrolled in at least their second year to all tested students in the public school district of comparison. Comparisons are between the results for each grade in which the school had tested students in at least their second year at the school and the total result for all students at the corresponding grades in the school district.

Math Measure 4 - Comparative

Each year, the school will exceed its predicted level of performance on the state mathematics exam by an effect size of 0.3 or above (performing higher than expected to a meaningful degree) according to a regression analysis controlling for economically disadvantaged students among all public schools in New York State.

METHOD

The Institute conducts a Comparative Performance Analysis, which compares the school’s performance to that of demographically similar public schools statewide. The Institute uses a regression analysis to control for the percentage of economically disadvantaged students among all public schools in New York State. The difference between the school’s actual and predicted performance, relative to other schools with similar economically disadvantaged statistics, produces an Effect Size. An Effect Size of 0.3, or performing higher than expected to a meaningful degree, is the target for this measure. Given the timing of the state’s release of economically disadvantaged data and the demands of the data analysis, the 2023-24 analysis is not yet available. This report contains 2022-23 results.⁶

2022-23 Mathematics Comparative Performance by Grade Level

Math Measure 5 - Growth

Each year, under the state’s Growth Model, the school’s mean unadjusted growth percentile in mathematics for all tested students in grades 4-8 will be above the target of 50.

METHOD

Given the timing of the state’s release of Growth Model data, the 2023-24 analysis is not yet available. This report contains 2022-23 results, the most recent Growth Model data available.⁷

⁷ These data can be found in the school’s Accountability Summary provided by the Institute in spring 2024.

2023-24 ACCOUNTABILITY PLAN PROGRESS REPORT

This measure examines the change in performance of the same group of students from one year to the next and the progress they are making in comparison to other students with the same score in the previous year. The analysis only includes students who took the state exam in 2022-23 and also have a state exam score in 2021-22 including students who were retained in the same grade. Students with the same 2021-22 scores are ranked by their 2022-23 scores and assigned a percentile based on their relative growth in performance (student growth percentile). Students' growth percentiles are aggregated school-wide to yield a school's mean growth percentile. In order for a school to meet the measure, the school would have to achieve a mean growth percentile above the target of 50.

2022-23 Mathematics Mean Growth Percentile by Grade Level

2023-24 ACCOUNTABILITY PLAN PROGRESS REPORT

MATHEMATICS INTERNAL EXAM RESULTS

During 2023-24, in addition to the New York State 3rd– 8th grade exams, the school primarily used the following assessment to measure student growth and achievement in mathematics: internally created Interim Assessments in grades 3-8.

A comparison between the October 2023 (IA1) and March 2024 (IA3) interim assessments provide insight into the progress scholars made.

For both internal cumulative exams, the cut scores were set in a manner similar to those used on the New York State exam.

SUMMARY OF THE MATHEMATICS GOAL

Overall, the mathematics goal was met for Growth (above the target of 50) by all schools in the cohort. All schools, except Linden, met the measures for Absolute (aggregate PI), Comparative (both measures), and Growth (10% growth in proficient scholars). The measure for Absolute (enrolled in at least their second year absolute proficiency) was not met by all schools in the cohort.

Type	Measure	Outcome
Absolute	Each year, 75 percent of all tested students who are enrolled in at least their second year will perform at proficiency on the New York State Mathematics exam for grades 3-8.	Apollo: NO Bushwick: NO Endeavor: NO Linden: NO North Brooklyn: NO Voyager: NO
Absolute	Each year, the school's aggregate PI on the state's mathematics exam will meet that year's state MIP as set forth in the state's ESSA accountability system.	Apollo: YES Bushwick: YES Endeavor: YES Linden: NO North Brooklyn: YES Voyager: YES
Comparative	Each year, the percent of all tested students who are enrolled in at least their second year and performing at proficiency on the state mathematics exam will be greater than that of students in the same tested grades in the school district of comparison.	Apollo: YES Bushwick: YES Endeavor: YES Linden: NO North Brooklyn: YES Voyager: YES
Comparative	Each year, the school will exceed its predicted level of performance on the state mathematics exam by an effect size of 0.3 or above (performing higher than expected to a meaningful degree) according to a regression analysis controlling for economically disadvantaged students among all public schools in New York State.	Apollo: YES Bushwick: YES Endeavor: YES Linden: NO North Brooklyn: YES Voyager: YES
Growth	Each year, under the state's Growth Model the school's mean unadjusted growth percentile in mathematics for all tested students in grades 4-8 will be above the target of 50.	Apollo: YES Bushwick: YES Endeavor: YES Linden: YES North Brooklyn: YES Voyager: YES
Growth	Between each Interim Assessment cycle there is at least a 10% growth in students who are proficient.	Apollo: YES Bushwick: YES

		Endeavor: YES Linden: NO North Brooklyn: YES Voyager: YES
--	--	--

EVALUATION OF THE MATHEMATICS GOAL

Despite challenges in meeting the measures outlined in this report, the network did overall meet 5 of the 6 measures. This overall increase across schools is an indicator that, while there is still a great deal of work to do, we are on the right path towards supporting growth and development in math towards proficiency.

No schools met measure 1. Schools saw a range of percent proficient across grades. North Brooklyn Prep had strong outlier percent proficiency compared to the cohort across multiple grades.

For measure 2, all schools but Linden met the measure of 80% of students scoring at a level 3 or higher. Apollo, Bushwick, and North Brooklyn Prep had the highest percentage of students scoring at a level 3 or 4.

For measure 3, all schools, except Linden met the measure. We outperformed the district consistently in grades 3, 4, 7, 8. North Brooklyn Prep, Voyager, and Bushwick outperformed the district in all grades.

For measure 4, all schools, except Linden met the measure. Bushwick was a bright spot with a 1.33 average. Apollo, Endeavor, North Brooklyn Prep, and Bushwick outperformed the effect size metric in all grades.

For measure 5, all schools met the measure. Mean growth percentiles varied across grade levels. Bushwick was a bright spot with a 61.2 mean growth percentile average across all grades.

For measure 6, all schools, except Linden met the measure. Voyager was a bright spot with an average of 22% between each Interim Assessment cycle.

ADDITIONAL CONTEXT AND EVIDENCE

In 2023-2024, we launched a new curriculum in grades 5-8, Illustrative Mathematics. Based on the work of Student Achievement Partners, Instruction Partners and others who have studied implementation efforts research shows you need at least 3-5 years to fully implement a curricular change. Additionally, to assess student learning on the universally adopted curriculum, we contracted with Achievement Network (Anet) to build interim assessments aligned to state math standards and curriculum bringing clarity and coherence during our implementation and assessment of student proficiency. In prior years, we used in-house built interim assessments which did not meet the bar for grade-level rigor as determined by the state. The relative strength of 8th grade performance is potentially associated with the adoption and implementation of the Illustrative Mathematics curriculum in Grades 5-8 starting in 23-24. This rigorous curriculum increased the quality of math instruction this cohort of students received.

MATHEMATICS ACTION PLAN

For the year 24-25, we are continuing our implementation of Illustrative Mathematics in Grades 5-8. We expect that instruction with this curriculum for multiple consecutive years will improve student performance on the state assessment.

In the K-4 mathematics program at Achievement First, we are continuing to expand our pilot for Context for Learning Mathematics for the core math block. CFLM curriculum uses a workshop environment and authentic real life contexts to foster the use of mathematical models as thinking tools. CFLM in combination with our existing math program component of CGI will support teachers in meeting instructional rigor and driving depth of thinking, as aligned on state assessments.

In Grades 5-8, we have partnered with IXL Math to focus on promoting conceptual understanding through custom skills matching state standards and Illustrative Mathematics curriculum and build procedural fluency. Additionally, we are using the IXL Math Diagnostic, to provide schools with up-to-date, accurate assessments of student proficiency to support instructional decisions to amplify student growth.

Deans who coach math across grade K-8 will have monthly professional development days with sessions aligned with the Network priority of Excellent Tier 1 instruction. Development will include real-time observations of math classrooms with shared debriefs and planning for next coaching steps. Additionally, schools will be developed on data progress monitoring. After each interim, K-8, deans and teachers will analyze data trends for their students to create actionable data plans for student learning.

GOAL 3: SCIENCE

Students will demonstrate proficiency in the understanding and application of scientific principles.

BACKGROUND

Across all of K-8 science we emphasize the three dimensions of science instruction that anchor the NY state science standards and the Next Generation Science Standards: Disciplinary Core Ideas, Cross-Cutting Concepts, and Science and Engineering Practices. We see three-dimensional science instruction using relevant, rigorous, and standards-aligned curriculum as foundational to ensuring we are providing full access to science instruction and experiences that will provide students with the access and opportunity to disrupt the underrepresentation of BIPOC and women in the STEM workforce and equip all students with the conceptual understanding of the natural world and a framework to think scientifically necessary for all members of our society.

At Achievement First elementary schools, the purpose of science instruction is to build a love of science and engineering, and to build content knowledge and skill with science practices. This joint purpose serves to lay the foundation for future science learning.

Our internally-developed NYS P-12 Science Standards-aligned curriculum materials are organized into cohesive units that follow the BSCS 5-E cycle of inquiry. Teachers play the role of facilitator and students,

starting in kindergarten, are positioned to ask questions, obtain evidence, and construct explanations. Regular formative assessments to monitor student learning are part of every unit.

A focus in 2023-2024 was ensuring science was consistently taught and teachers were receiving regular observation and feedback from school leaders to support teacher development. Leaders were supported through professional development focused on unit unpacking, and analyzing and responding to student work.

In 2023-2024, Achievement First Middle Schools began full implementation of OpenSciEd in Grade 6-8. We selected OpenSciEd as it obtained high ratings from EdReports and is aligned to NYS P-12 Science Standards, as well as to our vision for science instruction. Students collaboratively engage in the science practices to work towards explanations of phenomena across units of instruction.

We continued to use our internally-developed curriculum in Grade 5. With this, we intentionally worked to support Grade 5 teachers in teaching in a more phenomena-based way using strategies and tools from OpenSciEd.

To support implementation of OpenSciEd and our Grade 5 curriculum:

- teachers attended 3-days of summer training facilitated by OpenSciEd facilitators
- leaders had monthly cohorts focus on implementation vision, supporting teacher planning, and giving feedback on observations
- teachers attended monthly professional development sessions across the school year to unpack units and strengthen key parts of their instruction such as discussion facilitation
- utilized an OpenSciEd Implementation Progression from Columbia’s Center for Public Research & Leadership in observations to track the quality of implementation and inform supports across the year

Our assessment strategy included the curricular assessments as well as NWEA’s MAP Science Growth to monitor learning across the year. Leaders developed data-driven plans to respond to the data with their teachers with the aim of improving student learning outcomes.

ELEMENTARY AND MIDDLE SCIENCE

Science Measure 1 - Absolute

Each year, 75 percent of all tested students enrolled in at least their second year will perform at or above proficiency on the New York State science examination.

The school administered the New York State Testing Program science assessment to students in 5th and 8th grade in spring 2024. The table below summarizes the performance of students enrolled for at least two years.

2023-24 ACCOUNTABILITY PLAN PROGRESS REPORT

By Students Enrolled in At Least Their Second Year

	Grade	Students in At Least Their 2 nd Year		
		Number Tested	Number Proficient	Percent Proficient
Apollo	5	61	20	32.8%
	8	72	38	52.8%
	All	133	58	43.6%
Bushwick	5	92	36	39.1%
	8	96	48	50.0%
	All	188	84	44.7%
Endeavor	5	68	24	35.3%
	8	71	42	59.2%
	All	139	66	47.5%
Linden	5	46	18	39.1%
	8	57	26	45.6%
	All	103	44	42.7%
North Brooklyn Prep	5	91	19	20.9%
	8	84	60	71.4%
	All	175	79	45.1%
Voyager	5			
	8	45	27	60.0%
	All	45	27	60.0%

Science Measure 2 - Comparative

Each year, the percent of all tested students enrolled in at least their second year and performing at proficiency on the state science exam will be greater than that of all students in the same tested grades in the school district of comparison.

The school compares tested students enrolled in at least their second year to all tested students in the public school district of comparison. Comparisons are between the results for each grade in which the school had tested students in at least their second year and the results for the respective grades in the school district of comparison.

2023-24 State Science Exam

Charter School and District Performance by Grade Level

	Grade	Charter School Students in at Least 2 nd Year			All District Students		
		Number Tested	Number Proficient	Percent Proficient	Number Tested	Number Proficient	Percent Proficient
Apollo (District 19)	5	61	20	32.8%			
	8	72	38	52.8%

	8	45	27	60.0%			
	All	45	27	60.0%			

SUMMARY OF THE ELEMENTARY/MIDDLE SCIENCE GOAL

AF Brooklyn K-8 Schools did not meet the absolute proficiency goal for science on the NY State examination. Comparative data is not currently available.

Type	Measure	Outcome
Absolute	Each year, 75 percent of all tested students enrolled in at least their second year will perform at proficiency on the New York State examination.	Apollo: NO Bushwick: NO Endeavor: NO Linden: NO North Brooklyn: NO Voyager: NO
Comparative	Each year, the percent of all tested students enrolled in at least their second year and performing at proficiency on the state exam will be greater than that of all students in the same tested grades in the school district of comparison.	Apollo: Bushwick: Endeavor: Linden: North Brooklyn: Voyager:

EVALUATION OF THE SCIENCE GOAL

No school met the absolute proficiency goal for science of 75% in 5th or 8th grade. For 8th grade, 2 of the six schools performed within 15% of the goal, specifically North Brooklyn Prep (-3.6%) and Voyager (-15%). The other 4 schools performed between 15.8%-29.4% below the goal for 8th grade.

In comparison to 8th, 5th grade performance was further below the goal. Schools ranged from 54.1-35.9% under goal for 5th grade.

2023-24 ACCOUNTABILITY PLAN PROGRESS REPORT

Overall, for proficiency across both 5th and 8th, schools ranged from 15-31.4% below goal.

At the time of writing, comparative data is not available so that goal cannot be evaluated.

The relative strength of 8th grade performance is potentially associated with the adoption and implementation of the OpenSciEd curriculum in Grades 6-8 starting in 23-24. This rigorous curriculum increased the quality of science instruction this cohort of students received in 8th grade. Performance likely remains under the goal of 75% as this cohort of students did not have instruction with OpenSciEd in grades 6-7.

8	2023-24	N/A	N/A	N/A	N/A

ACTION PLAN

For the year 24-25, we are continuing our implementation of OpenSciEd in Grades 6-8. We expect that instruction with this curriculum for multiple consecutive years will improve student performance on the Grade 8 state science assessment given it assesses learning across Grades 6-8.

Schools will begin implementing OpenSciEd in Grade 5 in January 2025 when the first units are available. This implementation will be supported with professional development, coaching, and observations.

Also in 24-25, all K-4 schools will have a teacher staffing model with science specialists who teach only science in grades 3-4 (with a subset of schools also hiring science specialists for K-2). This staffing change will improve the consistency and quality of science instruction. As a network, we will be evaluating high-quality K-4 science curricula for adoption with the intention of implementing in 25-26 and/or 26-27. Adoption will serve to improve elementary instructional quality and K-8 vertical coherence.

These plans across K-8 science will be furthered through our overall network priority of Excellence in Tier 1 instruction. We are prioritizing development in specific elements of teaching across the year, starting with classroom environment and instructional rigor at the start of the year and expanding to depth of thinking and response to data as the school year progresses. Deans who coach science in grades 5-8 will have monthly professional development days with sessions aligned to these foci. The development will include real-time observations of science classrooms with shared debriefs and planning for next coaching steps, as well as skill-building sessions. K-8 science teachers will also receive aligned professional development-both regularly at their schools as well as at a regional PD day. On the regional PD day,

science teachers from across schools will gather in-person to engage in sessions on unpacking upcoming lessons and strong intellectual preparation.

In addition, the network-wide focus on improving chronic absenteeism will ensure students are in school to receive consistent science instruction.

As part of our assessment strategy, we are adding internally-developed interim assessments at regular intervals in Grade 5-8. This change to interim assessments will provide more specific and actionable data on student learning than NWEA MAP Science Growth which we administered previously. We will strategically and purposefully use data to inform instruction, and monitor progress across grade levels towards our 75% goal.

GOAL 4: ESSA

ESSA Measure 1

Under the state’s ESSA accountability system, the school is in good standing: the state has not identified the school for comprehensive or targeted improvement.

Because *all* students are expected to meet the state's performance standards, the federal statute stipulates that various sub-populations and demographic categories of students among all tested students must meet the state standard in and of themselves aside from the overall school results. As New York State, like all states, is required to establish a specific system for making these determinations for its public schools, charter schools do not have latitude in establishing their own performance levels or criteria of success for meeting the ESSA accountability requirements. Each year, the state issues School Report Cards that indicate a school’s status under the state accountability system. More information on assigned accountability designations and context can be found [here](#).

Accountability Status by Year

Independent Auditor's Report

To the Board of Trustees
Achievement First Brooklyn Charter Schools

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Achievement First Brooklyn Charter Schools, which comprise the statement of financial position as of June 30, 2024, and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Achievement First Brooklyn Charter Schools as of June 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Achievement First Brooklyn Charter Schools and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Achievement First Brooklyn Charter Schools' ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Achievement First Brooklyn Charter Schools' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Achievement First Brooklyn Charter Schools' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Achievement First Brooklyn Charter Schools' 2023 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 31, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2023 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and the combining schedule of activities by charter and schedules of functional expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards, combining schedule of activities by charter and schedules of functional expenses are fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 30, 2024, on our consideration of Achievement First Brooklyn Charter Schools' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Achievement First Brooklyn Charter Schools' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Achievement First Brooklyn Charter Schools' internal control over financial reporting and compliance.

Achievement First Brooklyn Charter Schools

Notes to Financial Statements June 30, 2024

Note 1 - Nature of operations

Achievement First Brooklyn Charter Schools (the "School") focus on strengthening the academic and character skills needed for all students to excel in top-tier colleges, to achieve success in a competitive world, and to serve as the next generation of leaders in their communities. The Board of Regents of the State University of New York ("SUNY") originally granted individual charters to the schools (Achievement First Apollo Charter School, Achievement First Aspire Charter School, Achievement First Brownsville Charter School, Achievement First Bushwick Charter School, Achievement First Crown Heights Charter School, Achievement First East New York Charter School and Achievement First Endeavor Charter School). These charters were valid for a term of five years and renewable upon expiration. Additional charters were subsequently granted to Achievement First Linden Charter School, Achievement First North Brooklyn Charter School, Achievement First Voyager Charter School and Achievement First Legacy Charter School. The supplemental schedules to the financial statements provide additional operating activity by charter. The schools operate under one legal entity. The financial statements reflect the activities of the eleven charter schools for the fiscal year ended June 30, 2024.

The School is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code ("IRC") and under the corresponding provisions of the New York State tax laws. The School's primary source of income is government funding. The School has also been classified as an entity that is not a private foundation within the meaning of Section 509(a) of the IRC and qualifies for deductible contributions as provided in Section 170(b)(1)(A)(ii). Today, the School serves students primarily from low-income households in Brooklyn and Queens, New York.

During the year ended June 30, 2024, the School operated classes for students in K-12. Charters that share space with New York City Department of Education ("NYCDOE") schools are not responsible for rent, utilities, custodial services, or maintenance. Charters that share space with other charter schools or do not share space are responsible for operating occupancy costs.

Note 2 - Summary of significant accounting policies

Basis of presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the School and changes therein are classified and reported as follows:

Net assets without donor restrictions represent available resources other than donor-restricted contributions. Included in net assets without donor restrictions are funds that may be earmarked for specific purposes.

Board-designated net assets represent net assets established by the Board of Trustees, which represents funds without donor restrictions set aside for future needs of the School. Cash basis operating surpluses, if they exist at year-end, may be used to accumulate in the board-designated reserve. Utilization of the reserve may be approved by the Board of Trustees and used for emergency funds in case of an unexpected financial crises, start-up costs for growth needs, facility capital requirements, principal-in-residence salaries and one-time projects which have significant future potential. The reserve balance will be generated from the School's budgeted per-pupil operating revenue, excluding state and federal nonoperating grants.

Achievement First Brooklyn Charter Schools

Notes to Financial Statements June 30, 2024

Net assets with donor restrictions are subject to donor- (or certain grantor-) imposed restrictions which are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Statement of cash flows

For purposes of reporting cash flows, the School considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents. There were no cash equivalents at June 30, 2024.

Cash and cash equivalents

The following table provides a reconciliation of cash and restricted cash reported within the statement of financial position that sum to the total of the same such amount shown in the statement of cash flows:

	2024	2023
Cash	\$ 66,483,083	\$ 46,790,717
Restricted cash	350,000	350,000
Total	<u>\$ 66,833,083</u>	<u>\$ 47,140,717</u>

Restricted cash

The School has designated \$350,000 to be set aside for contingency purposes as required by the Board of Trustees of the State University of New York.

Grants and other receivables

Grants receivable represent amounts owed to the School for federal or state funding. Grants receivable that are expected to be collected within one year, and recorded at net realizable value, are \$17,558,075 at June 30, 2024. The School has determined that no allowance for uncollectible accounts for receivables is necessary as of June 30, 2024. Such estimate is based on management's assessments of the creditworthiness of its donors, the aging of its receivables as well as current economic conditions and historical information.

Revenue recognition

The School reports unconditional promises to give as revenue when the promise is received. Conditional promises to give are recognized as revenue when the condition is met. Grants and contributions received are recorded as with or without donor restrictions depending on the existence and/or nature of any donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities and changes in net assets as net assets released from restrictions. Donor-restricted contributions whose conditions and restrictions are met in the same reporting period have been reported as support increasing net assets without donor restrictions in the statement of activities and changes in net assets.

Revenue from state and local governments resulting from the School's charter status is based on the number of students enrolled and is recorded when services are performed in accordance with the charter agreement. The School receives a substantial portion of its support and revenue from the NYCDOE. If the charter school laws were modified, reducing or eliminating these revenues, the School's finances could be materially adversely affected.

Achievement First Brooklyn Charter Schools

**Notes to Financial Statements
June 30, 2024**

Donated goods and services

The School occasionally receives contributed goods and services. Such goods and services are only recorded as in-kind contributions at their fair value, provided they meet the criteria for recognition. Such criteria includes contributions of services that (i) create or enhance nonfinancial assets or those that require specialized skills, (ii) are provided by individuals possessing those skills, and (iii) would typically need to be purchased, if not provided by donation, and are recorded at their fair value in the period received.

Contributed services received from Board Members and volunteers are not recorded in the financial statements since these services do not meet the criteria for recognition as contributed services.

The School does not record any in-kind contributions and related costs with respect to dedicated and shared space provided to it by the NYCDOE as the premises are temporary in nature, the premises represent excess shared space whereby a fair value cannot be determined, and this is industry practice.

Property and equipment

Property and equipment are stated at cost. The School has established a threshold for review of expenditures equal to or greater than \$3,000 for potential capitalization as a fixed asset. Property and equipment acquired with certain government contract funds is recorded as an expense pursuant to the terms of the contract in which the government funding source retains ownership of the property. Maintenance and repairs are charged to expense as incurred; major renewals and betterments are capitalized.

Depreciation and amortization are provided on a straight-line basis over the estimated useful lives or lease terms as follows:

<u>Asset</u>	<u>Estimated lives</u>
Leasehold improvements	5 - 20 years
Furniture and fixtures	5 - 8 years
Computers and hardware	3 - 7 years
Equipment	3 - 7 years

Long-lived assets

The School recognizes an impairment loss when the carrying amount of a long-lived asset exceeds its fair value. In the event that facts and circumstance indicate that the carrying amounts of long-lived assets may be impaired, an evaluation of recoverability would be performed. The evaluation process consists of comparing the estimated future undiscounted cash flows associated with the asset to the asset's carrying amount to determine if a write-down is required. If the review indicates that the asset will not be recoverable, the carrying value of the asset would be reduced to its estimated realizable value. There was no impairment loss recognized for the year ended June 30, 2024.

Functional allocation of expenses

The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on management's assessment. Health and retirement benefits and payroll taxes are allocated to programs and supporting services based on the percentage of salary expense of the program to total salary expense.

Achievement First Brooklyn Charter Schools

Notes to Financial Statements June 30, 2024

Tax-exempt status

The School is exempt under Section 501(c)(3) of the IRC and is exempt from private foundation status under IRC Section 509(a)(3) and as such is not subject to federal or state income taxes.

Management has analyzed the tax positions taken by the School and has concluded that, as of June 30, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The School's federal information returns prior to fiscal year 2021 are closed and management continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings.

If the School has unrelated business income taxes, it will recognize interest and penalties associated with any tax matters as part of the income tax provision and include accrued interest and penalties with the related tax liability in the statement of financial position.

Prior year summarized information

The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the financial statements of Achievement First Brooklyn Charter Schools for the year ended June 30, 2023, from which the summarized information was derived.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Concentrations of credit risk

The School maintains cash and cash equivalent balances in various financial institutions. Accounts at each institution are insured by the Federal Deposit Insurance Company ("FDIC") or Securities Investor Protection Corporation ("SIPC"). From time to time, the School's balances may exceed these limits. As of June 30, 2024, the School had balances of approximately \$66 million in excess of these limits. Additional protection is provided through the custodian's excess-SIPC coverage through various syndicates of Lloyd's, a London based firm. The School limits its credit risk by selecting financial institutions considered to be highly creditworthy.

Reclassification

Certain amounts in the 2023 financial statements have been reclassified to conform to the 2024 presentation.

Subsequent events

Management has reviewed subsequent events through October 30, 2024, which is the date the financial statements were approved and available for issuance.

Achievement First Brooklyn Charter Schools

Notes to Financial Statements June 30, 2024

Note 3 - Liquidity

The School regularly monitors liquidity required to meet its annual operating needs and other contractual commitments. As of June 30, 2024, the School has financial assets available to meet annual operating needs for the subsequent fiscal year as follows:

Cash	\$	66,483,083
Grants and other receivables		17,558,075
Receivable from related party - revolving lines of credit		<u>8,807,270</u>
 Total financial assets		 92,848,428
 Less		
Receivable from related party - revolving lines of credit		(8,807,270)
Board-designated reserve		<u>(7,000,000)</u>
 Financial assets available to meet cash needs for general expenditures within one year		 <u>\$ 77,041,158</u>

These financial assets are not subject to any grantor or contractual restrictions. The School supports its general operations primarily with federal and state grants, which are recognized as purpose restrictions are met. The balances due to the NYC Department of Education and NYS Education Department represent advances received that are due back to the State based on the fiscal year reconciliation and do not represent operating expenses. In addition, there are \$7,000,000 of Board-designated funds that could be used to fund operating needs should the Board determine this is necessary.

Note 4 - Receivable from related party - unsecured revolving line of credit

The School has entered into unsecured revolving lines of credit established with entities that are wholly owned by Achievement First, Inc. ("AF"). See Note 9 for the relationship between the School and AF. AF lines bear interest at a fixed rate of 2.6%. Funds are available upon written request. The School may demand repayment of principal and/or accrued interest in part or in full at any time and such repayments shall be due 45 business days thereafter. Balances on the lines are as follows as of June 30, 2024:

	<u>Credit limit</u>	<u>Amount drawn</u>
AF Brooklyn HS4, LLC	\$ 5,000,000	\$ 3,549,327
AF Queens ES1, LLC	4,000,000	2,705,693
AF Glenmore Avenue, LLC	<u>4,000,000</u>	<u>2,552,250</u>
	<u>\$ 13,000,000</u>	<u>\$ 8,807,270</u>

Note 5 - Concentrations

The School received approximately 81% of its operating revenue, which is subject to specific requirements, from per pupil funding from the NYCDOE during the year ended June 30, 2024.

Achievement First Brooklyn Charter Schools

Notes to Financial Statements June 30, 2024

The School's grants and other receivables consist of 98% from the State of New York as of June 30, 2024.

Note 6 - Property and equipment

The following is a summary of property and equipment at June 30, 2024:

Leasehold improvements	\$ 17,822,659
Furniture and fixtures	343,416
Computers and other hardware	143,182
Equipment	<u>1,331,073</u>
	19,640,330
Less accumulated depreciation	<u>(13,109,732)</u>
	<u>\$ 6,530,598</u>

Depreciation expense was \$1,847,394 for the year ended June 30, 2024.

Note 7 - Lease acquisition costs

The NYCDOE, through the New York State Construction Authority ("NYSCA"), agreed to help finance the development and construction of 510 Waverly Avenue, Brooklyn, New York provided that Civic Builders (the "construction manager") and Achievement First Endeavor Charter School collectively contributed 20% of the costs of the construction.

In December 2012, NYSCA, the landlord, entered into an agreement to lease the building to Civic Builders for a 30-year term. Civic Builders entered into an agreement to sublease the building to AF Waverly LLC. AF is the sole member, which in turn leases the building to the School under the same terms at an annual lease of \$1 plus operating costs. The lease acquisition costs of \$6,792,379 include the costs incurred by Achievement First Endeavor Charter School in meeting its obligation to NYCDOE to fund 20% of the costs of construction; these costs are amortized over the 30-year lease term. Amortization expense for the year ended June 30, 2024 was \$226,284 and accumulated amortization at June 30, 2024 was \$3,152,976. Amortization expense for each of the next five years is \$226,412.

Note 8 - Related party transactions

The School entered into an Academic and Business Services Agreement (the "Agreement") with AF, a not-for-profit organization dedicated to helping start and run charter schools. This Agreement provides management and other administrative support services to the School.

Pursuant to the terms of the Agreement, the School pays a service fee equivalent to 10% of public revenues received by the School during or for that school year. Public revenues include all sources of revenue from a public source, but specifically exclude in-kind contributions such as student transportation, start-up funding, funding for student meals, and funding from competitive public grants. The Agreement automatically renews to coincide with the charter renewals for each school. The Agreement covers services including bookkeeping, facilities acquisition and management, special education delivery support, data analysis management support, and tutoring program support. The School is to pay AF an ancillary services fee that is mutually negotiated by the School and AF. For the year ended June 30, 2024, the School incurred management and ancillary services

Achievement First Brooklyn Charter Schools

**Notes to Financial Statements
June 30, 2024**

fees of \$20,163,962, which are included in the accompanying statement of functional expenses. AF is also the recipient of grant funds that are passed through AF to the School. The amount due to AF at June 30, 2024 was \$4,317,328.

See Note 12 for related party leases.

Note 9 - Due from/to other schools

The following amounts were due from/to related schools and consist of the following at June 30, 2024:

Achievement First Providence Charter School	\$	(3,354)
Achievement First Bridgeport Academy		(14,529)
Achievement First Elm City Charter School		(7,813)
Achievement First Hartford Charter School		(19,437)
Amistad Academy Charter School		<u>(11,454)</u>
	<u>\$</u>	<u>(56,587)</u>

Note 10 - Due to NYC Department of Education and the New York State Education Department

The NYCDOE paid the School per pupil grant funds in six installments, based on estimates from the School. At the end of each year, the NYCDOE reconciles the total amount paid against the full-time-equivalent enrollment for the year and determines if an overpayment or underpayment has been made. As of June 30, 2024, an overpayment totaling \$249,937 had been made; an adjustment for this amount will be reflected in the third payment from NYCDOE in FY 2025.

The School discontinued its involvement in the National School Lunch Program as of June 30, 2023. As a result, the School owes the NYSED \$457,457 for unexpended funds. As of June 30, 2024, the School also owes the NYSED \$6,577 for an overpayment of Title I funding.

Note 11 - Contributed nonfinancial assets

For the year ended June 30, 2024, contributed nonfinancial assets recognized within the statement of activities and changes in net assets included:

2024				
	Revenue recognized	Utilization in programs/activities	Donor restrictions	Valuation techniques and inputs
Digital learning	\$ 198,144	Regular education	None	Donor's purchase cost
Textbooks	164,068	Regular education	None	Donor's purchase cost
Library books	<u>32,992</u>	Regular education	None	Donor's purchase cost
	<u>\$ 395,204</u>			

Achievement First Brooklyn Charter Schools

Notes to Financial Statements June 30, 2024

Note 12 - Leases

The School leases buildings and office equipment. All contracts that implicitly or explicitly involve property, plant and equipment are evaluated to determine whether they are or contain a lease.

At lease commencement, the School recognizes a lease liability, which is measured at the present value of future lease payments, and a corresponding right-of-use asset equal to the lease liability, adjusted for prepaid lease costs, initial direct costs and lease incentives. The School has elected and applies the practical expedient available to lessees to combine non-lease components with their related lease components and account for them as a single combined lease component for all its leases. The School remeasures lease liabilities and related right-of-use assets whenever there is a change to the lease term and/or there is a change in the amount of future lease payments, but only when such modification does not qualify to be accounted for as a separate contract.

The School determines an appropriate discount rate to apply when determining the present value of the remaining lease payments for purposes of measuring or remeasuring lease liabilities. As the rate implicit in the lease is generally not readily determinable, the School estimates the risk-free rate as the discount rate. The School's risk-free rate, which is determined at either lease commencement or when a lease liability is remeasured, is the rate on the U.S. government securities over a period commensurate with the lease term.

For accounting purposes, the School's leases commence on the earlier of (i) the date upon which the School obtains control of the underlying asset and (ii) the contractual effective date of a lease. Lease commencement for most of the School's building leases coincides with the contractual effective date. The commencement date for most of the School's office equipment leases coincides with when the School obtains control of the underlying assets. The School's leases generally have minimum base terms with renewal options or fixed terms with early termination options. Such renewal and early termination options are exercisable at the option of the School and, when exercised, usually provide for rental payments during the extension period at then current market rates or at pre-determined rental amounts. Unless the School determines that it is reasonably certain that the term of a lease will be extended, such as through the exercise of a renewal option or non-exercise of an early termination option, the term of a lease begins at lease commencement and spans for the duration of the minimum non-cancellable contractual term. When the exercise of a renewal option or non-exercise of an early termination option is reasonably certain, the lease term is measured as ending at the end of the renewal period or on the date an early termination may be exercised.

The School includes variable rental payments based on a rate or an index such as the Consumer Price index (CPI) in its measurement of lease payments based on the rate or index in effect at lease commencement. Other types of variable lease payments are expensed as incurred.

Leases involving real estate

Leases of facilities have three-year terms, except for related party leases noted below. Terms have been incorporated into the measurement of the related right-of-use assets and lease liabilities. Although most of the real estate leases include one or more options to renew that can extend the contractual terms from one to three years, those renewal options are exercisable solely at the School's discretion and have been excluded from lease term measurements. The real estate leases generally require reimbursement of real estate taxes, common area maintenance, and insurance. The School leases these facilities from two limited liability companies wholly owned by AF. Such leases provide for below market rentals, are cancellable at any time, and do not provide purchase options.

Achievement First Brooklyn Charter Schools

Notes to Financial Statements June 30, 2024

Rental payments on these leases typically provide for fixed minimum payments that increase over the lease term at predetermined amounts.

The School entered into a facility lease with Glenmore Avenue, LLC, a limited liability company wholly owned by AF, which commenced in November 2023. Monthly rent payments are \$214,208 and are subject to a 2.6% increase each year. The agreement with Glenmore Avenue, LLC has a term of 30 years and allows the lease to be extended for an additional 19 years if the overlease is extended and requires the School to achieve certain financial covenants upon occupancy of the premises.

Leases involving equipment

Office equipment leases have lease terms that generally range from less than one year to five years and generally do not have renewal options. Rental payments on these leases have fixed payments.

Financial information

The following contains information about the School's right-of-use assets and lease liabilities for its operating leases as of June 30, 2024:

	Statement of Financial Position Classification	June 30, 2024
Right-of-use assets		
Operating leases	Noncurrent assets	\$ 60,331,154
Lease liabilities		
Current		
Operating leases	Current liabilities	\$ 2,787,796
Noncurrent		
Operating leases	Noncurrent liabilities	58,490,338
Total lease liabilities		\$ 61,278,134

The components of the School's lease cost for the year ended June 30, 2024 are as follows:

	Statement of Functional Expenses Classification	June 30, 2024
Operating lease cost, net		
Rent expense	Occupancy costs, Equipment/furnishings	\$ 6,427,592

Achievement First Brooklyn Charter Schools

Notes to Financial Statements June 30, 2024

Supplemental cash flow information related to the School's leases for the year ended June 30, 2024 is as follows:

Year ended June 30, 2024	Operating leases
Cash paid for amounts included in the measurement of lease liabilities	
Operating	\$ 6,296,245
Right-of-use assets obtained in exchange for lease liabilities	
Operating	\$ 58,875,883

The weighted average remaining term and weighted average discount rate for the School's leases are as follows as of June 30, 2024:

Weighted average remaining term (in years)	27.99
Weighted average discount rate (1)	4.75%

- (1) The School has elected to use a risk-free rate as the discount rate for its leases. The School uses rates on U.S. government securities for comparable with lease terms as risk-free rates.

The annual maturity analysis of the School's lease liabilities as of June 30, 2024 is as follows:

Calendar year	Operating leases
2025	\$ 5,606,934
2026	3,574,912
2027	3,292,662
2028	2,930,448
2029	2,894,344
Thereafter	103,059,243
Total lease payments	121,358,543
Less: interest	60,080,409
Present value of lease liability	61,278,134
Less: current portion of lease liabilities	2,787,796
Noncurrent portion of lease liabilities	\$ 58,490,338

Note 13 - Agreement for School facilities

The School has entered into verbal agreements with the NYCDOE for dedicated and shared space at a cost of \$1 per year or less. In accordance with industry standards, the fair value of the rent has not been recorded. The School will be responsible for any overtime-related cost for services provided beyond the regular opening hours. For the year ended June 30, 2024, the School incurred no overtime and incurred no permit fees. The School also entered into an Administrative Cost Management Agreement that requires the School to pay Uncommon Crown Heights, LLC for its

Achievement First Brooklyn Charter Schools

Notes to Financial Statements

June 30, 2024

share of the building costs for the facilities located at 1485 Pacific Street, Brooklyn, New York. The fair value of the rent has not been included in the accompanying financial statements as the agreement is nonbinding, the premises are temporary in nature, the premises represent excess shared space whereby a fair value cannot be determined, and this is industry practice.

Note 14 - Pension plan

Effective September 1, 2006, the School adopted a 403(b) profit sharing plan (the "Plan") which covers most of the employees. The Plan is a defined contribution plan. Employees are eligible to enroll in the Plan upon employment. Those employees who have completed at least one full year of service are also eligible for employer contributions. The Plan provides for the School to contribute up to 4% of an employee's salary. The School contribution is not vested until the employee's third year, when he or she becomes fully vested. For the year ended June 30, 2024, pension expense for the School was approximately \$794,000, which is included in retirement in the accompanying statement of functional expenses.

Note 15 - Risk management

The School is exposed to various risks of loss related to torts; thefts of, damage to and destruction of assets; actions by employees and parents; and natural disasters. The School maintains commercial insurance to protect itself from these risks.

The School entered into contractual relationships with certain governmental funding sources. The governmental agencies may request return of funds as a result of noncompliance by the School, as well as additional funds for the use of facilities. The accompanying financial statements make no provision for the possible disallowance or refund because management does not believe that there are any liabilities to be recorded.

Note 16 - Conditional contribution

AF received a conditional grant commencing April 2020 for expansion and minor repairs, for which it has allocated \$4,629,142 to the School. This grant is expected to cover periods through March 2025. Donor conditions specify that amounts must be spent on expenditures relevant to the approved grant purpose. Since this grant represents a conditional promise to give, amounts will not be recognized as contribution revenue until donor conditions are met. Prior to 2024, \$1,128,535 of the conditions were met. During 2024, \$225,232 was recorded as revenue related to this grant. The remaining conditional promise to give at June 30, 2024 was \$3,275,375.

During the year ended June 30, 2021, the School received conditional Elementary and Secondary School Relief Fund ("ESSER") grants of \$46,311,444. A portion of these funds were available to cover costs through September 2023. Remaining grants are expected to cover periods through September 2024. Donor conditions specify that amounts must be spent on expenditures relevant to the approved grant purpose. Since these grants represent a conditional promise to give, amounts will not be recognized as contribution revenue until donor conditions are met. Prior to 2024, \$18,795,809 of the conditions were met. During 2024, contribution revenue of \$13,522,313 and \$2,490,145 of contributions expired were recorded related to this grant. The remaining conditional promise to give at June 30, 2024 was approximately \$11,500,000.

Independent Auditor's Report on Internal Control over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards*

To the Board of Trustees
Achievement First Brooklyn Charter Schools

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Achievement First Brooklyn Charter Schools, which comprise the statement of financial position as of June 30, 2024, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated October 30, 2024.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Achievement First Brooklyn Charter Schools' internal control over financial reporting ("internal control") as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Achievement First Brooklyn Charter Schools' internal control. Accordingly, we do not express an opinion on the effectiveness of Achievement First Brooklyn Charter Schools' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Achievement First Brooklyn Charter Schools' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major Federal Program
and Report on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Trustees
Achievement First Brooklyn Charter Schools

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Achievement First Brooklyn Charter Schools' compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Achievement First Brooklyn Charter Schools' major federal programs for the year ended June 30, 2024. Achievement First Brooklyn Charter Schools' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Achievement First Brooklyn Charter Schools complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America ("GAAS"); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States ("*Government Auditing Standards*"); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Achievement First Brooklyn Charter Schools and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Achievement First Brooklyn Charter Schools' compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Achievement First Brooklyn Charter Schools' federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Achievement First Brooklyn Charter Schools' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Achievement First Brooklyn Charter Schools' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Achievement First Brooklyn Charter Schools' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Achievement First Brooklyn Charter Schools' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Achievement First Brooklyn Charter Schools' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not

identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Achievement First Brooklyn Charter Schools

Notes to Schedule of Expenditures of Federal Awards June 30, 2024

Note 1 - Basis of presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of Achievement First Brooklyn Charter Schools (the "School") under programs of the federal government for the year ended June 30, 2024. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of the School, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the School.

Note 2 - Summary of significant accounting policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through identifying numbers are provided when available.

Note 3 - Indirect cost rate

The School has not elected to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

Budget Narrative

Education Corporation Name: Achievement First

Date:

Fiscal Contact Name: Jessica Cohen

Fiscal Contact Email:

1. What steps has the Education Corporation taken to ensure it has enacted a conservative budget?

AF typically enacts conservative operating budgets and this has remained true for the FY 25 school year. Our Board approved a budget that included contingency to ensure flexibility within the charter if adjustments are needed for any reason throughout the year.

2. How much of the Education Corporation's ESSER Funds will be spent by the deadline of September 30, 2024? If the Education Corporation has remaining ESSER Funds with no current plans to spend it, do they plan on applying for an extension if one is available?

We expect to fully spend remaining ESSER funds by September 30, 2024.

3. How does the Education Corporation plan to ensure the sustainability of programs enacted using ESSER funding when it ends on September 30, 2024?

For programmatic investments made using these funds, such as curricula purchasing, tutoring programs, and after-school programs, AF will continue to support these programs through operating surplus.

4. Does the education corporation anticipate any major investments or expenses during the upcoming year?

No major investments are anticipated at this time.
